## **"An Afternoon with KEM"**

R&B singing sensation KEM will share about his life, music, and how **"PROSPERITY IS A CHOICE"**. KEM will sign his new CD.

Several years after high school, his life took a downward turn and he eventually found himself in and out of drug rehab and homeless shelters. He hit rock bottom when he awoke one night sleeping outside after breaking shelter rules, and he became determined to clean up his act. KEM says, "I want to be a vehicle to let people know that they can have anything they want."

In addition, phenomenal motivational speaker and author **Jewel Diamond Taylor** will share about what it means to "Live Fearlessly."
